The UNI Community

UNI is an excellent choice for students who want the atmosphere of a smaller college but the faculty and resources of a larger university. UNI is student-oriented and makes you feel welcome and challenged while you earn your education with a minimum of hassle. Located in Cedar Falls, the campus has grown from a single building on a 40-acre site to more than 40 major buildings. Landmarks on the 723-acre campus include the Campanile, the Education Center, Strayer-Wood Theatre, Maucker University Union and the UNI-Dome. Special academic resources include the 600,000-volume University Library, the Industrial Technology Center and the Communication Arts Center. The City of Cedar Falls is a pleasant and historic college town adjacent to Waterloo. Together, they are part of a major metropolitan area with a population of more than 100,000. It is a center for manufacturing, finance, commerce and cultural activities in Northeast Iowa.

Panther Prospectus

Northern Iowa fans can look forward to many familiar faces in the Panther lineup this season because of 11 returning lettermen, including four starters. In fact, the only players missing are Nick Nurse, a student coach this season under head coach Eldon Miller, and squadman Jeff Williams, who has left the team.

Nurse, a four-year starter for the Panthers and holder of virtually every three-point school record, was the team's fourth leading scorer last season. His leadership will be missed in addition to his outside shooting abilities. Williams was the seventh leading scorer.

The Players

But what a returning class! Miller has the luxury of the top three scorers and top five rebounders back, starting with senior center **Jason Reese**, a first team all-conference pick last season and all-American candidate.

Reese has been the team's leading scorer three straight years and ended last season with a 22.3 average, third highest in the league. He also led the team in caroms with 7.1 per game. He scored in double figures 26 times last year, with a career high 37 points against SMU in Dallas. He grabbed 12 rebounds against Illinois at Chicago.

Reese moved into fourth position on UNI's all-time scoring chart with 1,395 points, 81 points shy of tying third place and 609 from tying Randy Kraayenbrink's 2,004 career mark.

Throughout his career, Reese has received various mentions in national publications. Last year, he was an honorable mention All-Midwest selection by Basketball Times and was one of 20 players named to that publication's "All-Rodney Team", for those players who "don't get no respect" but should take a bow.

Last year's second leading scorer, senior forward **Steve Phyfe**, also returns with a 14.2 scoring average. He was second on the team in rebounding with 5.9 caroms. He led the team in blocked shots with 25. He's also very unselfish with the ball, as evidenced by his assist total of 59, second high on the team.

Phyfe transferred from Oral Roberts following his freshman year, sat out three years ago, was the team's fifth leading scorer two years ago enroute to being named to the league's All-Newcomer team and started all 28 games for the Panthers last season.

Named to the AMCU second team all-conference last year, Phyfe scored 10 or more points in 25 games, scoring a career high 25 points against Eastern Illinois. His 13 rebounds against Wisconsin-Green Bay also was a career high.

The Panthers' third leading scorer last year was not even a starter. Junior **Troy Muilenburg** averaged 11.6 points and 5.5 rebounds, also third high, coming off the bench. He scored in double figures 18 times, with a career high 26 points tallied against Augustana. He had 11 rebounds against Cleveland State. Muilenburg can play either forward or guard.

The other two returning starters are sophomores Cedrick McCullough, at forward, and guard Dale Turner. The former started all 28 games, while Turner missed out on one start because of a slight ankle sprain in practice before a game.

McCullough averaged nine points and 4.3 rebounds (fifth in scoring and fourth in rebounding on the team), while Turner held down the sixth highest scoring position (6.6). Showing great poise as a freshman floor leader, he topped the squad with a 4.6 assist average.

Another player who probably performs at his best coming off the bench is senior guard **Jonathan Cox**. Not a big scorer, he nevertheless handles the ball extremely well and is not afraid to bring the ball up court. He averaged 16 minutes per game last year in relieving Turner.

The four remaining lettermen returning include sophomore center **Nick Pace**, junior guard **Maurice Newby**, junior forward **Kent Pollpeter** and senior forward-center **Scott Socha**.

Pace played in 11 games, Pollpeter seven and Socha 14. Newby redshirted last season but was fifth in scoring on the team in 1987-88 with a 9.4 average. He started 12 of 27 games his sophomore year and 21 of 28 games his freshman year when he averaged 13.5 points. He has a career high 31 points against Northern Illinois his first year.

The Panthers' new faces include redshirt freshman **Steve Deering**, who sustained a knee injury during last year's preseason workouts; freshmen **Terry Merfeld**, **Cam Johnson** and **Brian Jones**; sophomore walkon **Chris Nuss**, a returnee who attends UNI on a football scholarship; and junior college transfer **Brad Hill**.

Deering averaged 18.5 points and 8.0 rebounds at Central High School in Crystal Lake, IL. Merfeld scored 17.0 points and grabbed eight rebounds per

game at Hudson, IA, High School. Johnson was a late signee and hails from Cedar Rapids, IA, Jefferson High School where he averaged 28 points and 9.2 rebounds.

Jones averaged 15.0 points and nine rebounds at Rock Island, IL, High School, while Hill averaged 13.8 points and seven rebounds at Kalamazoo Valley Community College. He's a native of Akron, OH.

Is it any wonder that Miller, named the Association of Mid-Continent Universities Conference Coach of the Year last season, is excited?

"I'm excited because of the players we have coming back," he says. "We have talented people at every position. You have to be excited about players like Reese, Phyfe, Muilenburg, McCullough and Turner and our other two seniors, Cox and Socha. The latter two are both steady performers.

"Then look at our new people," he says. "We get Newby back and Brad Hill, Brian Jones, Terry Merfeld and Cam Johnson are quality young players."

Momentum

Yes, Miller has the talent to make one exciting season. But there are other elements to take into account which could make 1989-90 one of the most exciting seasons in UNI history.

The Panthers have momentum. They ended the 1988-89 season in record-breaking fashion, erasing or tying 12 school records. They wrapped up the year with a second place finish in the AMCU with an 8-4 mark, their highest finish ever. Their 19-9 overall mark was their best effort since moving up to Division I status and their most wins since the 1963-64 season.

UNI was 14-1 at home last year. It was seeded second in the league's post-season tournament held in Springfield, MO. An opening round loss to Illinois at Chicago probably kept it from receiving an NIT berth.

The Schedule

So there is talent and fond memories of last season. But there's more. The upcoming season includes a game January 3 when as many as 20,000 people could see UNI host Iowa in the UNI-Dome for the first time. A complete refiguration of the facility for that game will increase the normal 10,000 capacity for basketball.

A couple new opponents make appearances on this year's schedule,

including Sam Houston State and Nevada-Reno. The Panthers make a return visit to Iowa State and Drake. On December 29, the Panthers face Georgetown in Las Vegas.

The regular season comes to a close March 5-7 when UNI hosts the AMCU post-season tournament for the first time.

So What's Left?

"Basketball excitement here is just starting," Miller says. "Our players did a good job for the most part last year, but we did not have improvement in our team defense (eighth in the AMCU in scoring defense) and rebounding (fourth in the AMCU in rebound margin) from mid-year on. Looking forward to this season, our players will have needed to do a good job in the off-season.

"We'll try to keep upgrading our defense," he says, "and get a better assist-turnover ratio. We'll play aggressively, so we might make a turnover or two. We're not as concerned about our offense. We've proved we can score with anyone (second in the league)."

"As far as the AMCU tournament is concerned, it's got to be played on someone's campus, so it might as well be ours. That's a great opportunity for our team, the University and the community as a whole."

Head Coach

Eldon Miller

Although Eldon Miller has been at Northern Iowa only three full seasons, he already has guided the program to one of its most successful seasons ever. In

1988-89, the Panthers erased or tied 12 school records. They wrapped up the year with a second place finish in the Association of Mid-Century Universities Conference with an 8-4 mark, the highest finish ever. Their 19-9 overall mark was their best effort since moving to Division I. They were 14-1 at home. They just missed a berth in the NIT Tournament.

Last year's success also brought Miller recognition as AMCU Coach of the Year.

These accomplishments are of no surprise to those who have followed the Eldon Miller saga. High rankings, NCAA and NIT appearances and 20-win seasons all have been a part of the glossary of terms depicting the Eldon Miller career.

A 27-year college coaching veteran, Miller has seen the bright lights and media attention that arises from a big-time program. He doesn't much miss personally the hoopla associated with it, but what he would like to see happen is the same type of enthusiasm surrounding Northern Iowa basketball.

Miller led his first Northern Iowa squad to a 13-15 record overall and a 7-7 finish in the league which placed the Panthers fifth. Quite an accomplishment, considering they were picked to finish last in the eight-team field with only three returning lettermen. Those 13 wins tied for second the most wins in a season since moving to Division I, and they won more road games since the 1979-80 season.

Miller knows what battles are. Prior to taking the UNI job upon Jim Berry's resignation, he spent 10 years at Ohio State, compiling a 176-118 record there. Nine of his Buckeye teams compiled winning records, seven played in post-season tournaments and four recorded 20 or more wins. They had participated in the NCAA tournament three of his last five years and, in 1986, defeated Wyoming for the NIT title. He was named Big Ten Coach of the Year twice.

He was born June 19, 1939, in Gnadenhutten, OH. He played basketball four years at Wittenberg. As a senior in 1961, Miller starred on the NCAA College Division championship team and was chosen Most Valuable Player.

After graduation, he remained at Wittenberg to take graduate work and to assist coaching. He was named head coach at the end of the 1962 season at the tender age of 23. Miller enjoyed eight successful seasons there, compiling a 142-55 record, and won three Ohio Conference titles while sharing two others. He recently was inducted into the Wittenberg Hall of Fame.

Miller went to Western Michigan in 1971. Charged with rebuilding that program, his 1976 team won its first Mid-American Conference championship and finished 25-3 overall. Western earned a berth in the NCAA tournament and advanced to the regionals before losing 62-57 to Marquette. He then accepted the Ohio State position.

Miller is starting his 29th year of coaching this fall, 28th as a head coach. His overall record is 446-283.

He and his wife, Dee, have three children — daughters Amy and Caroline and son Ben.

AMCU Championship

ESPN
THE TOTAL
SPORTS NETWORK

The UNI-Dome on the campus of the University of Northern Iowa will be the site of the 1990 Association of Mid-Continent Universities Men's Basketball Tournament.

The sixth not-so-annual tournament will be held March 5-7, 1990, in the 10,000-seat Dome, reknown throughout the country for its air-supported fiberglass roof. Built in 1976, the Dome has been the site of many sporting events, including the NCAA Division II National Wrestling and Gymnastics Championships and 1-AA football playoffs.

The AMCU, beginning its eighth season this fall, again will have its tournament champion represent the league as an automatic qualifier to the NCAA Tournament.

Also for the second consecutive year, the AMCU championship game will be televised on a nationwide basis by ESPN. Exact times of games have not yet been finalized. However, the format again will be a three-day tournament with the regular season champion drawing a first-round bye since Cleveland State still is ineligible for post-season play. The final regular season games will be played Thursday, March 1.

UNI is hosting the tournament for the first time. Four of five previous league

tournaments have been held at Southwest Missouri State, while the 1985 tourney was held at highest-seeded campus sites throughout each round.

"We're very excited to have the 1990 AMCU Tournament at Northern Iowa," AMCU Commissioner Jerry A. Ippoliti said. "The UNI-Dome is a great facility, which can accommodate the largest crowd to ever see an AMCU Tournament game. With UNI's great spectator support and ESPN's telecast of the championship game, it should be an outstanding event."

The Panthers, who enjoyed their best season in Division I last year at 19-9, drew over 6,000 fans four times against AMCU teams. The largest crowd ever to view a basketball game in the State of Iowa, up to 20,000, is expected January 3 when UNI plays host to the Iowa Hawkeyes.

Four different teams have won the five previous tournaments — Western Illinois in 1984, Eastern Illinois in 1985, Cleveland State in 1986 and Southwest Missouri State in 1987 and 1989. There was no post-season tournament in 1988.

Conference Officials

Jerry A. Ippoliti, former associate athletic director at Northern Illinois, was named the new conference commissioner after F.L. "Frosty" Ferzacca retired at the end of June of 1988.

Ferzacca had been commissioner since the inception of the league. Ippoliti has served in the capacities of associate athletic director (1983-88), assistant athletic director (1979-83), head football coach (1970-75) and assistant football coach (1968-69) at NIU. A graduate of Miami (OH) University, he holds a master's degree from West Virginia. Prior to joining NIU's staff, he was assistant football coach at SUNY-Buffalo for two years following an eight-year high school coaching stint in Damascus, Findlay and Coshocton, OH.

Michael Madsen is in his fourth year as the league's first full-time information director. He came to the position after serving as assistant sports information director for two years at Northern Iowa. He also worked at Western Illinois for two years as sports information graduate assistant. A native of Sioux City, IA, and graduate of Morningside College, he began his career as sports information director of his NCAA Division II alma mater for two years. He also has served an internship with the Baltimore Orioles during the summer of 1983 and has written parttime for two newspapers. In addition, he was editor of the Morningside College newspaper and sports editor at Western Illinois' newspaper. While at UNI, he received CoSIDA's best in the nation award for the Panthers' wrestling media guide.

Richard Weiler is in his fifth year as supervisor of basketball officials. He has over 30 years experience in major college basketball and football officiating. He has officiated four NCAA Final Four games (1974, 1979, 1980, 1983), the Suntory Bowl in Japan in 1983 and the 1984 Rose Bowl game. In the off-season, he conducts many basketball clinics and officials camps throughout the Midwest.

UNI-Dome

Not a Nice Place to Visit

If there's one thing tougher than getting presidential candidates to talk about the issues, it's being a visitor trying to win in the UNI-Dome. The Panthers have their own brand of politics, led by head coach Eldon Miller.

Looking all the way back to when the UNI-Dome was first opened, the Panthers are 126-52 at home in the Dome for a 71 percentage. That percentage had decreased some in recent years until last season with UNI convincing upper echelon teams to play in Cedar Falls. But nonetheless, the UNI-Dome is a very tricky place to play basketball.

The UNI-Dome (the prefix stands for University of Northern Iowa as well as meaning one and unique) combines the features of three buildings — a football stadium, field house and large auditorium. It contains facilities to hold a variety of events such as concerts, exhibitions, trade shows, pageants, rallies and convocations, as well as football, basketball and softball games and wrestling and track meets.

The Dome has hosted such events as the NCAA gymnastic and wrestling championships, the Iowa High School All-Star Basketball games, the Iowa High School football playoffs, concerts by Dolly Parton, the Eagles, REO Speedwagon, Fleetwood Mac and The Rolling Stones, to mention a few, antique car shows, tractor pulls and many other non-athletic events.

The Dome's air-supported, Fiberglass fabric roof, constructed by Owens-Corning Fiberglass Corp., was erected at a cost equal to half that of conventional roof construction. And because of the Dome's translucence, ample natural light is available during daylight hours resulting in a sizeable savings on utility costs.

The UNI-Dome was designed with "something for everyone." Its artificial turf for football games can be installed in a minimum of 36 hours. Underneath, on a synthetic floor area, are basketball and tennis courts and an eight-lane, 220-yard oval running track. As many as 12 tennis matches and two basketball games could be played simultaneously.

Approximately 16,400 spectators can be seated for football and 11,000 for courtside activities. For stage activities, such as commencements, concerts and speakers' series, total capacity — using movable bleachers and chairs — can reach 25,000.

The 168,000-square foot Dome, which rises 124 feet above the arena floor, is supported entirely by a network of 12 stranded steel cables and air blowers. A concrete and steel ring around the top of the 70 foot high stadium wall holds the cables. The cables weigh around 47 tons.

The roof of the Dome is made of about 49 tons of woven Fiberglass coated with Teflon. Approximately 60 percent of the Dome has an inner liner of fabric that provides acoustical as well as thermal benefits.

A spacious press box atop the east stands has facilities for 20 radio stations, television capabilities and seating for up to 125 people. A photography darkroom, photo bay, concession area and scouting booths are other features. Two huge scoreboards flash messages and information to spectators throughout the events.

The west press box provides a meeting room for the UNI Athletic Club. A new meeting room at the Northeast concourse level of the arena has been completed for a meeting room, primarily for use by the football team. Currently, an enclosed passageway connects the Dome with the Physical Education Center for locker facilities.

The Association of Mid-Continent Universities was conceived in 1982 as eight Midwestern universities joined together to form a new NCAA Division I conference for men's sports.

Representing six states, members include Akron, Cleveland State, Eastern Illinois, Illinois at Chicago, Northern Illinois, Northern Iowa, Southwest Missouri State, Valparaiso, Western Illinois and Wisconsin-Green Bay. Akron and Northern Illinois were just admitted to the league this past summer, participating in the AMCU championships this year for most sports, except baseball and soccer. Akron could join the baseball competition this spring if scheduling permits.

In addition to basketball, the league conducts championships in eight other sports, including soccer, baseball, cross country, swimming, indoor track, outdoor track, golf and tennis. In basketball, the league has been represented in the past four NCAA and last three of four NIT post-season tournaments.

During the 1985-86 campaign, CSU was an at-large selection to the NCAA Tournament, upsetting Indiana and St. Joseph's before a one-point loss to Navy stopped the Vikings from reaching the final round of eight teams. That same season, SMSU was an NIT quarterfinalist, defeating Pittsburgh and Marquette, before a one-point setback at Florida.

SMSU went on to participate in the next three NCAA Championships, defeating Clemson in 1987 before a four-point loss to Kansas, and falling in a four-point decision to Nevada-Las Vegas in the 1988 NCAA First Round. Last season, the Bears lost to Seton Hall in the first round. CSU, meanwhile, participated in the past two of three NIT post-season tournaments, defeating Tennessee-Chattanooga in 1987 before a two-point loss to Illinois State and winning over Illinois State in 1988's first round before a six-point loss at Ohio State in the second round.
